**May 2024 Pastor's Letter: Of Milestones and Monuments**

As the old line says it, there's an important difference between a monument and a *milestone*. Monuments give a sense of finality; they say, "Look what we've done!" But a milestone is different—it doesn't pretend the journey is over, but says something more like, "This is where we were before our feet started moving again." I've always liked that distinction because it reminds me that all of this life's events and accomplishments are at most, *milestones*, and never really *monuments*. We are always in the middle of a journey, or even a relay race, carrying on what has been handed to us like a baton, and moving forward until the next generation's hands and feet continue with their leg of the course.

As we mark the fiftieth anniversary of Community of Christ's journey this month, with a big weekend full of special guests and celebrations on May 4-5 in particular, remember, dear ones, that this is a milestone for us, not a monument. We aren't commemorating the end of anything, and we aren't only looking backward at where we've been. We're looking forward, too, and we can rejoice that the same God who has accompanied the first five decades of our congregation's history will keep walking with us into the future.

If you've been watching our hallway-spanning timeline as it's filled with photos and memories over the course of the year so far, you know we've seen a great many twists and turns along our way as a congregation in our first fifty years. And as we get to see familiar faces—or meet in person for the first time some of the people we've only heard stories about before—it will be good to be reminded again of just how many lives have been a part of our congregation's journey in its first fifty years. But then, remember, too, that after the last piece of celebration, cake is served and the final official 50<sup>th</sup> Anniversary Events are a part of our history, too, that the story will continue. In fact, every Sunday, we keep reminding one another that we are on a journey when we stop to share milestones with one another along with our other congregational announcements. I've always appreciated the choice of that wording in the time I've been here at Community of Christ; it reminds me that we don't just celebrate or acknowledge Big Round Numbers like anniversaries of churches, but the everyday ups and downs of life, too. We bring the stories of answered prayer, the needs for support, the accomplishments and struggles, and all of it, and we ask each other to help lift these things up to God. That's what we'll keep doing, even after this month's festivities are themselves a memory. We'll mark this moment as a milestone, and then our feet will keep moving us to the next bend in the road, the next turn in the path, and the next adventure in faith. We'll keep going where Jesus leads us, as we keep making Jesus known wherever the road takes us.

Thank you, dear ones, for sharing this moment's milestone together.

Christ's Peace,  
 Pastor Steve

### Adult Forum in April and May 2024: Scenes from a Movement

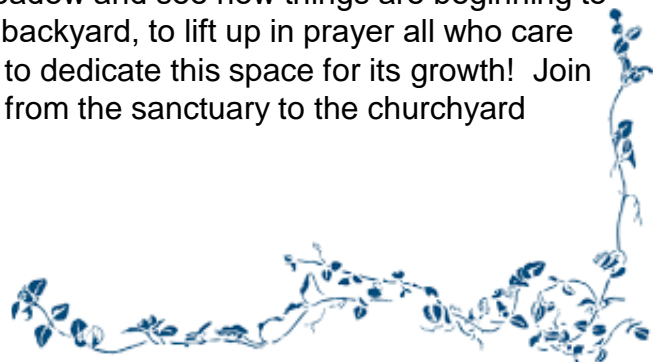

All throughout the weeks of Eastertide, our first lessons in worship each Sunday will be stories from the Book of Acts, which chronicles the early church and the spread of the first followers of Jesus into the world. And yet, many of us are not very familiar with this part of the Bible or the meaning it holds for our lives today as the church. So, join us in the Adult Forum for the spring to take a closer look at these stories and the way the Christian community developed from a fearful band of former fishermen and tax collectors to a budding movement across the Roman Empire, and now to the whole world. Join us for "Scenes from a Movement: Stories from Acts" continuing from April into May at 9:00 a.m. in the library for our Sunday morning Adult Forum class! Everybody is welcome!

### Summer Worship Begins Memorial Day Weekend!

Starting with Sunday, May 26, we'll return to our summer schedule of having a single worship service at 9:00 a.m. on Sunday mornings. We're looking forward to the chance to get to see one another, as sometimes we can feel disconnected between early service and late service attenders and to worship together throughout the summer until after Labor Day weekend. Join us on May 26 and throughout the summer at 9:00 a.m.!

### Rogation Day/Dedication of Prairie Meadow—May 26 After 9:00 a.m. Worship

With our first round of seeds planted for our Prairie Meadow back in the early winter, we are already starting to see some new seedlings and sprouts coming up from the ground, and we are inviting everyone to join us for a special time to dedicate the new prairie meadow and to share in the milestone of its first growth, following our 9:00 a.m. service on Sunday, May 26. This will also be our way of honoring the centuries-long tradition of "days of rogation," when the church would pray especially for God's blessing on the new planting and growing season, for protection and health for farmers, and for God's care on the intricate web of life in creation. If you haven't had a chance to peek out at the Prairie Meadow and see how things are beginning to grow, this is a great chance to see God's creation right in our own backyard, to lift up in prayer all who care for creation and who grow the crops that feed our community, and to dedicate this space for its growth! Join us immediately after worship on **Sunday, May 26**, as we head out from the sanctuary to the churchyard following the service!

## Bibles For our Graduates

This spring as the Class of 2024 graduates, Community of Christ will be recognizing our high school seniors and presenting them with gifts on behalf of the congregation. On June 2, during worship, we'll have a moment to acknowledge, honor, and pray for our graduates, and we'll be presenting them with their own "grown-up" Lutheran Study Bibles, in the hopes that these study Bibles will be a good resource for their faith journeys wherever life is taking them after high school. But this is where we need YOUR help as a congregation. We don't just want to send our grads out with Bibles, but with the wisdom and support of their church family, too. So, throughout the month of May, we will have those Bibles out on a table in the gathering space, and we'll invite YOU to help underline and highlight verses and passages in the Scriptures that have been important to YOU in your own, faith journey. We hope that will mean that our graduates will face the next adventure of their lives knowing they are surrounded by the prayers of their church family and supported by the mentors and friends of our congregation. We would LOVE your help by adding your personal touch to these Bibles in the month of May so that we can present them on June 2!

## Inquiring Interest in Nursery Program for Fall 2024

As we continue to explore ways to be attentive to the needs of our families with young children, our congregational council is exploring whether there is an interest in organizing volunteer-led nursery care for Sunday worship in the fall. We'll be inquiring directly with families in our congregation, but if you have input you would like to offer, please feel free to let Pastor Steve or Michelle in the church office know if you would find this valuable. We'll be looking at several possible ways we could organize nursery care (whether with parents taking turns for one another, youth-led care, other volunteers, etc.) and how frequently there is the need (weekly, bi-weekly, or monthly? One or both servicers?), in the hopes of coming up with a plan to start in the fall that will match the needs and interests we hear about from all of you! Look for more news on this as the summer progresses!

## Seeking Sunday School Teachers for Fall 2024-2025

We are already planning for next fall's Sunday School year, and our hope is to be able to offer Sunday School classes *every week* for kids of all ages this September! But to make that happen, and to be able to offer great opportunities for faith formation for children and youth here at Community of Christ, we need your help! We are looking for people who are willing to help volunteer in teams to lead and co-teach classes, with a rotating roster of other teams of teachers so that no one shoulders the leadership responsibilities alone. That would mean making a commitment of being able to lead once a month during the Sunday School hour (9:00-10:00) rather than every week for the whole school year. Does that sound like something you might be able to offer with your time and talent? Would you like to get to accompany our kids on the adventure of growing up in faith, to share their thoughts and questions, to tell them about God and God's story, and to be blessed by their smiles and energy? Please prayerfully consider this opportunity and let either Pastor Steve know or a member of Christian Education (Lainie Davis, Laurie Dewitz, Makayla Stewart, Lorri Britsch, and Kristen Schuchmann). Help us now to prepare for a great new school year growing in grace and following Jesus with our children and young saints!

**It's NOT too LATE to order!!** More than an hour of beautiful music and fond memories to reminisce. Envelopes are available in the Gathering Space. Pick one up today and return it to the office or in the offering plate on Sunday!

Honor **the gift of Mother** and our families!  
Sunday, May 12.

# CHRIST IS RISEN!!! HE IS RISEN INDEED!!!!

# Young Disciples Hear The News!

# Social Action News!

From Kathryn Whitacre and Becky King

The Social Action Committee had two big activities in April.

- **The Material Girls** led by Rose Ackerman and Joan Bierley with several volunteers, met for full-day sessions of quilting and fellowship working on 26 quilts for the Bed Build. Cinda can now make a quilt from start to finish! The quilts were beautiful, made with love, and were sent out with prayers. We are already planning on making more for next year! The Social Action Committee would love it if Jeff Baden joined us next year to run this successful program once again. Many thanks to everyone who gave their time and talents to this project.
- **Welcome Baskets** for Migrant Workers through LIFT in Fremont Ohio. Kathryn Whitacre and Wayne and Becky King took a van load of donated items to Hayes Memorial United Methodist Church in Fremont for the Welcome Baskets. We were able to meet the new coordinator for this project, Destinee Chapa, and see the items she has already collected, plus learn a little more about LIFT and their mission to work with the local migrant workers year-round. They take donations year-round since some of the workers remain in the area all year. There is also a food bank housed at the church that receives food from the Lucas County Food Bank for distribution to the migrant workers. Destinee was thrilled by your generosity to this project.

**On May 8** from 3-5, there will be an assembly line at Hayes Memorial United Methodist Church to make up Welcome Baskets and boxes of food. Kathryn is planning on going and would happily crowd 3 more people into her car to make it a fun field trip. (We can even have dinner at Tackle Box 2, Bea's favorite fish place!) If more people want to come, we will be looking for drivers.

There are three things that Destinee says they could use more of for this project:

One that has a cost:

1. Laundry Detergent—any size is very helpful.

And two cost-free items:

1. Paper bags to put clothing into so it can be sorted by size etc. I love the Sautters' bags with the handles, but the Kroger bags work just as well!
2. Egg Cartons that hold a dozen eggs. The eggs come from the Food Bank in large flats and need to be moved to egg cartons for distribution.

There will be a box to collect these items (yes, if you have other items from the list to donate you can add them as well). We will have a sign-up sheet for those interested in a working field trip to Fremont on May 8 at the kiosk.

# Thank you Notes!!!

A heartfelt, but late, THANK YOU to those who drove me after my hip replacement surgery: Dean Nofzinger, Becky King, Bea Ludwig, Shelly Hayes, Greg Aubell, Claudia Jones, Kathryn Whitacre, and lately, Sarah Rockwell.

Thank you also to Cheryl Fisher for organizing my drivers. And thank you to Wayne King for the use of the walker!

Another HUGE thank you to the ladies of the LWR quilt ministry, The Material Girls who donated 26 quilts to the Let's Build Bed program. If you go to their Facebook page, you will see some of the recipients of our labor of love! Thank you to all the ladies who helped: Joan Bierley, Tracy Brosten, Deanna Cedargren, Becky King, Marlene LaChine, Cinda Pontsler, Irene Pratt, Karole Sigg, Kathryn Whitacre and cousin, Karen Oden, and friends Jackie Sutter and Kay Highfield. Your thoughtfulness and dedication are amazing!

RoseMarie Ackerman

A big big Thank You to the entire congregation for sharing all of our time and talents for the 50th Anniversary Bed Build Project! We exceeded our goal with 50 beds made on a cool Saturday morning. We had tons of blankets, quilts, sheets, pillows, and all the money for the materials. We had a wonderful time building and fellowship celebrating together with a meal afterward. Thank you again to those who participated and helped organize. You can check out Let's Build online for more pics and details of how they help kids in our area, as well as our Facebook page for our pics. Many hands make light work! Thanks, Jeff

We appreciate all who brought a dish to share for a Lenten Soup Supper, a special gathering, or a funeral luncheon. If you are missing your dish, we ask that you please check the kitchen! If dishes are not picked up by **Wednesday, May 15**, they will be donated to Goodwill.

Thank you, the Kitchen Team

# Stewardship

sharing the gifts we have been given

Exciting news from our church! We are offering you more giving options to support our church's financial needs. Council and Finance Committee (as well as the Synod) have recommended the use of a new online safe and secure tool to be able to give online electronically. The program is through Tithe.ly company used by many other churches and organizations. It has several options to be able to give as noted below:

- Your donations are recorded for your giving records, and confidential to the financial secretary.
- When you donate, you designate the fund you would like your monies to go toward e.g., building loan, general, thank-you, or other.

-There are four methods to give:

1. On the church website - @ <https://tithe.ly/give?c=2746426>
2. Online (through tithe.ly website, search for Community of Christ)
3. By text: simply text the word **give** to get started.  
**Community Of Christ Lutheran Church: (833) 985-2568**
4. Download the app and give.

- There is a fee for this service for the convenience that it offers:
  - You can choose to cover this fee in addition to your donation, OR if you don't, the fee is deducted from the donation to the church.
  - This fee is a percentage typical of this type of service.

## SIMPLY GIVING PROGRAM

PLEASE REMEMBER ---we also offer an **electronic offering, (Simply Giving)** that will withdraw your offering automatically from your bank account. **THANK YOU FOR GIVING TO THE LORD'S WORK AT COMMUNITY OF CHRIST AND THE ENTIRE CHURCH!**

## Community of Christ: In Focus Video Series

Stewardship Committee invites you to check out a new series of short videos, releasing monthly, which highlight different areas of our ministry life here at Community of Christ. We're calling it Community of Christ: In Focus, and each one gives a bit of a deeper dive into the many facets of our congregational life. Our first video, highlighting worship and music, is already available to watch through our website (look under the Worship Bulletin and Recordings section of the "News and Events" tab), on our Facebook page, or YouTube. Future videos will help shine a spotlight on the different kinds of things our gifts of time, talent, and treasure go to support so that you can have a better sense of the MANY things God is up to around here at Community of Christ. Check them out, share them with a friend, and learn more about how our resources, shared for Christ's service in this place, are being used for God's work in the world!
